Public Call for Research Proposals:  
ICRR's FY2021 Inter-University Research Program

We publicly invite the submission of research proposals for ICRR's Fiscal 2021 (from April 1, 2021 to March 31, 2022) Inter-University Research Program. Those wishing to apply should submit the Application Form (Form 1 and 2, Form 3 if applicable) in digital file format by Tuesday, January 12, 2021 (JST)

The submission due date for scanned Letter of Consent (Form 7) falls on January 29 (Fri), 2021 (JST), the original form should be kept by Principal Investigator.

The total budget for Inter-University Research Program expenditure for 2020 was 45.3 million yen, and a total of 160 proposals were selected.

Please note that if your submitted research proposal is selected, it will be handled in accordance with the Regulations on Collaborators at the Institute for Cosmic Ray Research of the University of Tokyo.

For details, please visit ICRR's website: <http://www.icrr.u-tokyo.ac.jp/en/collaborators-2/>

Takaaki Kajita

Director, Institute for Cosmic Ray Research, University of Tokyo
