

Call for a postdoctoral fellowship in Cosmic Ray, Astroparticle Physics and Observational Cosmology

Institute for Cosmic Ray Research, University of Tokyo

The Institute for Cosmic Ray Research, University of Tokyo, Japan, is a research center in the field of Astroparticle Physics and has a long-standing history in Cosmic Ray, Astroparticle Physics and Observational Cosmology. We are looking for several postdoctoral researchers, who can work with researchers in our institute in the fields of Cosmic Ray, Astroparticle Physics and Observational Cosmology in general.

Applicants should have a PhD degree or be about to complete it. Successful postdoctoral fellows can start working at ICRR, University of Tokyo, from 1 April 2015 but need to commence before 1 October 2015. The salary and benefits are defined in the articles of employment of the University of Tokyo, specifying step 2 of project researchers, 300,000 JPY and the additional allowance of 30,000 JPY. The successful applicants must take a health insurance from MEXT mutual society of health insurance and will get a commuting allowance. The employment contract will be for two years. The applicants can apply again after such period, but the employment period cannot be extended by more than 5 years. The University of Tokyo encourages applications by scientists with foreign nationalities and female scientists according to the University of Tokyo's equal opportunities employment policy.

The applicants will be screened on the basis of their application documents, and candidates will be invited for interviews scheduled on 6 January 2015. The applicants shall submit all of the following documents in PDF format by e-mail, to be received until 10 December 2014:

- 1) Curriculum Vitae, 2) Research experience (2pages), 3) Research plan (2pages),
- 4) Publication list and copies of most important publications (up to 3 papers),
- 5) Name of host researcher at ICRR, 6) Letters of References (2 letters).

All the above documents shall be sent in due time to the following address,
application_at_icrr.u-tokyo.ac.jp (please replace _at_ with @)

Contact Address: The Director of ICRR, U.Tokyo, Prof. Takaaki Kajita,
kajita_at_icrr.u-tokyo.ac.jp (please replace _at_ with @)
