

From Takaaki Kajita,
Director of the Institute for Cosmic Ray Research, The University of Tokyo

Call for an Assistant Professor at Kamioka Observatory

Institute for Cosmic Ray Research, The University of Tokyo

The Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites applications for an assistant professor position at Kamioka Observatory. The successful applicant will conduct research at Super-Kamiokande, the T2K experiment, and other projects at Kamioka Observatory.

1. Position: Assistant professor, 1 person.

2. Job description:

The successful applicant will conduct research at Super-Kamiokande and T2K as well as aid in the operation of Super-Kamiokande and its future Gd upgrade. He or she can additionally contribute to other projects at Kamioka Observatory, such as R&D towards Hyper-Kamiokande or participate in direct searches for dark matter. Applicants from fields outside of neutrino physics are welcome.

3. Start of the term: As soon as possible after an offer is made.

4. Place of work: Kamioka Observatory (Hida-city, Gifu-prefecture, Japan)

5. Term: 5 years with the possibility of an additional 5 year extension.

6. Application:

Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Applicants should arrange for two letters of reference to be sent to the e-mail address below. Once the application documents are received a confirmation e-mail will be sent to the applicant. Applicants should verify they receive this confirmation after submission

1. Curriculum vitae,
2. Summary of past research activities (up to 3 pages),
3. Publication list including a list of oral presentations at conferences and workshops. Please include copies of the applicant's most important publications (up to three papers) and clearly mark these in the publication list,
4. Possible start date,
5. Research plan (up to 3 pages), and
6. Letters of reference or recommendation (2 letters).

7. Application Deadline:

Application materials must be received by 17:00 JST on November 30th, 2015.

8. Selection process:

Applicants will be screened on the basis of their application materials and candidates will be invited for interviews. Candidates will be contacted with information concerning the interview process.

The University of Tokyo encourages applications from women in accordance with “The University of Tokyo’s Declaration on Gender Equality” (<http://kyodo-sankaku.u-tokyo.ac.jp/en/about/history/documents/DeclarationEN.pdf>).

All application materials should be sent on time to the following address,
application_at_icrr.u-tokyo.ac.jp (please replace _at_ with @).

Inquiries should be addressed to Professor Masayuki Nakahata, Director of Kamioka Observatory, U.Tokyo at,
nakahata_at_icrr.u-tokyo.ac.jp (please replace _at_ with @)
