Job No.ICRR2024-03

Call for a Professor for the Hyper-Kamiokande project

Institute for Cosmic Ray Research, The University of Tokyo

The Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites applications for a professor position for the Hyper-Kamiokande project. The successful applicant should be proficient in Japanese.

1. **Position:** Professor, 1 person
2. **Job description:** The successful applicant shall play a leading role in construction, operation, and scientific results in the Hyper-Kamiokande project. This person will also take the lead in the short- and long-term management and operation of the Kamioka Observatory.
※Scope of change: The faculty member may be reassigned, concurrently assigned, or transferred to another position. (In principle, such an order will not be issued against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)
3. **Place of work:** Kamioka Observatory (Hida-shi, Gifu, Japan)
※Scope of change: The University will assign the faculty member to work at a designated location. (In principle, the faculty member will not be reassigned or transferred against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)
4. **Application Prerequisites:** Applicants shall have a Ph.D.
5. **Start of term:** As soon as possible after an offer is made.
6. **Compensation:** Basic Salary is defined in the University employment law. The successful candidate will be automatically enrolled in the insurance from the Mutual Aid Association of MEXT and employment insurance.
7. **Term:** unlimited until age 65
8. **Working Hours:** Discretionary labor system, based on 7 hours, 45 minutes per day, or 38 hours 45 minutes per week.

9. **Holidays:** Saturdays, Sundays, Holidays, and the year-end and New Year holidays (the 29th of December to the 3rd of January)
10. **Selection process:** Applicants will be screened on the basis of their application materials, and only short-listed candidates will be invited for interviews. We will inform details of the interview separately.
11. **Application:** Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Once the application documents are received a confirmation email will be sent to the applicant. Applicants should verify they receive this confirmation after submission.
1. Curriculum vitae
 2. Summary of past research activities (up to 3 pages)
 3. Research plan (up to 3 pages)
 4. Publication list including a list of oral presentations at conferences and workshops, and a list of external funding obtained so far. Please include copies of the applicant's most important publications (up to five papers) and clearly mark these in the publication list,
 5. Possible start date
