Job No.ICRR2026-05

Call for a Project Assistant Professor at RCCN, Institute for Cosmic Ray Research, The University of Tokyo

The Institute for Cosmic Ray Research (ICRR), The University of Tokyo, Japan, invites a Project Assistant Professor position for Hyper-Kamiokande/Super-Kamiokande and advanced atmospheric neutrino flux modeling.

1. **Position:** Project Assistant Professor, one person.

2. **Job description:**

The Research Center for Cosmic Neutrinos (RCCN) at the Institute for Cosmic Ray Research (ICRR), The University of Tokyo, invites applications for a Project Assistant Professor to conduct experimental research in neutrino physics.

The successful candidate is expected to play a central role in the construction and operation of the Hyper-Kamiokande experiment, while leading research on advanced atmospheric neutrino flux modeling and precision neutrino physics with Hyper-Kamiokande.

※Scope of change: The faculty member may be reassigned, concurrently assigned, or transferred to another position. (In principle, such an order will not be issued against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)

3. **Place of work:** ICRR (5-1-5 Kashiwanoha, Kashiwa-city, Chiba, Japan)

※Scope of change: The University will assign the faculty member to work at a designated location. (In principle, the faculty member will not be reassigned or transferred against his/her will. For details, please refer to Article 4 of the Regulations Concerning the Employment of University of Tokyo Faculty Members.)

4. **Application Prerequisites:**

Applicants should have or be about to obtain a Ph.D. in a related field by the time of employment.

5. **Start of term:** As soon as possible after an offer is made.
6. **Compensation:** Salary will be commensurate with experience as outlined for the position of project assistant professor by the University Tokyo's Guidelines for Fixed-Term Faculty Employment (The 1st of April, 2004 rev.). Automatically enrolled in the insurance from the Mutual Aid Association of MEXT and employment insurance.
7. **Term:** The employment contract may be renewed yearly, but until the March 31st, 2031.
8. **Working Hours:** Discretionary labor system, based on 7 hours, 45 minutes per day, or 38 hours 45 minutes per week.
9. **Holidays:** Saturdays, Sundays, Holidays, and the year-end and New Year holidays (the 29th of December to the 3rd of January)
10. **Selection process:** Applicants will be screened on the basis of their application materials, and only short-listed candidates will be invited for interviews. We will inform details of the interview separately.
11. **Application:** Please submit the following documents in either English or Japanese as PDF files (A4 size paper, 29.5cm x 21cm or similar) attached to an e-mail. Applicants should arrange for one letter of reference to be sent to the e-mail address below. Once the application documents are received, we will send a confirmation e-mail to the applicant. Applicants should verify they receive this confirmation after submission.
 1. Curriculum vitae,
 2. Summary of past research activities (up to 3 pages),
 3. Publication list including a list of oral presentations at conferences and workshops. Please include copies of the applicant's most important publications (up to three papers) and clearly mark these in the publication list,
 4. Possible start date,
 5. Research plan (up to 3 pages), and
 6. Declaration regarding past criminal penalties, administrative actions, and disciplinary actions due to sexual harassment and/or sexual violence etc. against students
 7. One letter of recommendation or the names and contact information of two references.※For (6), please download the form from the following URL
https://proself.icrr.u-tokyo.ac.jp/public/HvC0AA1Pw0RAQ5sBKyGPoMKkCGIya7_QHnpOqIP9F_iq
12. **Application Deadline:** Application materials must be received by 12:00 noon JST on 31st August, 2026.
13. **Name of recruiter:** The University of Tokyo

14. **Other:**

- Applications from applicants of all genders, nationalities, and levels of research experience are welcome.
- Probation period: The first 14 days of employment
- The University of Tokyo encourages applications from female scientists in accordance with "The University of Tokyo's Declaration on Gender Equality".
- University employee activities outside University duties should be limited to the extent that they do not interfere with the sharing of research technology at the University. In accordance with the Foreign Exchange and Foreign Trade Act, the sharing of research-related technology may be restricted if a successful applicant of the University maintains or intends to maintain concurrent employment with a foreign organization or receives a large income from a foreign governmental body or other sources.
- Second-hand smoke free environment: Smoking is prohibited throughout most of the campus of the University of Tokyo. However, there are designated smoking areas outside.

Interested applicants should send applications to the following address by the due date:
application_at_icrr.u-tokyo.ac.jp (please replace _at_ with @) with the subject line "ICRR2026-05".
